

O 16 048
TOWNSHIP OF MONTCLAIR

ORDINANCE AMENDING MONTCLAIR CODE SECTION 269-22 (SEWER USE RATES)

November 1, 2016
(date of introduction)

WHEREAS, due to an increase in operating costs and the need for capital improvements, it is necessary from time to time to increase sewer use rates; now, therefore, be it

ORDAINED, by the Township Council of the Township of Montclair, that Section 269-22 of the Montclair Code is amended as follows:

§ 269-22 Establishment of rates and charges.

The below rates and charges shall be in effect commencing on the date shown. The Township Council shall review said rates and charges annually to preserve the self-liquidating status of the utility. Each user shall pay an annual rental charge for use of the sewer system and an annual usage fee for treatment of discharges to the system. The rental charge, also known as the "capacity charge," shall be based on the size of the user's water meter. The treatment charge shall be based on actual treatment costs incurred by the utility, to be billed to all users according to a formula as set forth below. These annual charges shall be payable each year in two equal installments on June 30 and December 1, except that annual charges for "large institutional users" (to be defined in accordance with written guidelines prepared by the Superintendent and approved by the Township Manager) shall be paid in one annual payment due on June 30 of each year.

A. Capacity charges.
